VOLUNTEER EXPERIENCE

Oregon Hope Chinese School

• Working on changing the school website

Hillsboro Library Friends Booth

- Help Library do books sale
- Research the value of the books
- Book organization

PROJECTS

- <u>Pizza Project</u>: This project is a webpage that may help pizza store to complete their online orders.
- <u>Library Data Analyzing</u>: This is a project that help analyze the data of library books where you can find book by ID, who borrowed the books, the borrowers address, etc.
- <u>Casino Game</u>: This is a simple Casino game that created with C#.
- <u>The Space Station</u>: This is the first project that I used Pseudo code.
- <u>Contribution</u>: <u>www.bewander.com</u> is social travelogue networking site, I was available to help fix stylings and some C# issues.

You can find my projects through my git hub page: https://github.com/Maryliu521/Tech-Academy-Projects
